

DEKALB COUNTY COMMISSIONERS' SPECIAL MEETING

February 24, 2025

Commissioners Present: President William L Hartman
Vice President James Miller
Vice President Kellen Dooley

Others Present: Auditor Susan Sleeper
Attorney Andrew Kruse

This 'special' meeting was called to go over the plan for 2025/2026 Health Insurance renewal with the County's broker, but they had to cancel due to illness.

MATTER OF HEALTH DEPARTMENT SCHOOL/COMMUNITY LIAISON NURSE

Kellen Dooley made a motion to approve replacing the Health Department School/Community Liaison Nurse. Jim Miller seconded and all approved.

VETERAN BURIAL ALLOWANCE

During a prior Commissioner meeting the burial allowance was discussed in connection with the township burial fee that is paid, but at this time the Commissioners feel there is no need to change or amend and all feel that it is a good gesture from the County with the VA.

CITIZEN CONCERNS/COMPLAINTS

Kellen Dooley had reached out to Attorney Kruse about having a form that can be placed on the County website for citizens to complete and help track any concerns. The biggest topic now is dealing with Parkview EMS. A form has been made and can be brought to the next meeting for approval and then discuss with IT on the logistics of getting it posted and how things will be tracked.

MISC:

Development Services Remodel: William Hartman will meet with Leatherman Construction on plans for a remodel of the Development Services end of the building on Wednesday, February 25th. Mr. Hartman had asked Attorney Kruse if all the Commissioners could be in attendance as 'information gathering' session, but Attorney Kruse feels that it should be a public meeting if all 3 Commissioners would be together. William Hartman is going to attend with Chris Gaumer, Dave Holt and Leatherman.
