

DeKalb County Commissioners
100 South Main St.
Auburn, IN 46706

On Thursday, September 25, 2025, DeKalb County Government had a cyber incident occur. This has impacted our computer system so employees cannot sign in. This has caused our network driver to be unavailable at this time. The Information Technology department, Emergency Management, Auditor, County Commissioners, and County Attorney are working through restoration efforts with outside contractors. At this time, we are unsure when network capabilities will be restored. In the meantime, we are going to continue to serve our citizens and employees to ensure service delivery demands are met in a timely manner. The Central Communications Center and 911 Emergency System are operating effectively.
