New Business:

Determination of Quorum: The 2014-2015 DeKalb County Community Corrections Budget was discussed and gone over in detail. Kellie explained that the bottom line number will remain the same although monies have been moved from different line items to accommodate DCCC for the 2014/2015 year. CHANGE has been moved to their own Project Income Fund. Kellie discussed briefly the HEA 1006 bill that will take effect in July and how it may increase participant numbers, opening an possible option for a second Case Manager.

Tim Baker thanked Kellie and Bonnie for all their hard work on the Budget.

The budget was then approved by Judge Brown; and seconded by Steve Bade.

Other Business:

There was a quick discussion about the new pilot program in Marion County merging Probation and Community Corrections. It was discussed and decided that DeKalb County has separate Probation and Community Correction Departments that serve different populations and that a merger of those departments would not be beneficial to DeKalb County.
