

## Immunization Program For Children

### IMPORTANT CHANGES

\*\*\*Must provide your child's Medicaid card (if applicable) at each appointment

Due to the COVID 19 pandemic, temporary changes to our normal procedure are as listed

- Call 260-925-2220 upon arrival to the health department at the appointment time-if you do not have a cell phone, knock on the door and staff will assist you
- Staff will bring paperwork to your vehicle for you to complete-staff will also give you further instructions
- Only one parent/guardian may accompany the child into the building-please make arrangements for other children if at all possible
- Adults are required to wear masks upon entering the building. Children will NOT be required to wear a mask
